Pursuant to the motion of material witnesses Pedro Jimenez-Vasquez and Marco Aguilar-Paez [the "Material Witnesses"], by and through their attorney, Robert E. Schroth Jr., by appearance of the parties and their respective counsel, and good cause appearing:

1. Unless the Material Witnesses are previously released from custody of both the U.S. Marshal and the United States Border Patrol, the Material Witnesses, Pedro Jimenez-Vasquez and Marco Aguilar-Paez shall be deposed on **July 1, 2008 at 10:00 a.m.** The depositions will be held at the U.S. Attorney's office in San Diego, California. An employee of the U.S. Attorney's office shall serve as the videotape operator.
2. All parties shall attend the depositions. The arresting agency shall bring the Material Witnesses to the deposition and remain present during the proceeding. If the defendant(s) are in custody, they shall be brought separately to the depositions and a marshal shall remain present during the entire proceeding.

1 3. The United States Attorney's Office shall arrange for a court-certified interpreter to be present for  
2 the Material Witnesses, if necessary. The cost of the interpreter for the Material Witnesses will be borne  
3 by the United States. See 28 U.S.C. § 1827(c)(2).

4  
5 4. If a defendant needs an interpreter independent of the Material Witnesses' interpreter (if any),  
6 defense counsel will arrange for a court-certified interpreter to be present. The cost of a separate interpreter  
7 shall be paid by the court.

8 5. The U.S. Attorney's Office shall arrange for a certified court reporter to be present. The court  
9 reporter shall stenographically record the testimony and serve as a notary and preside at the depositions in  
10 accordance with Rule 28(a), Fed. R. Civ. P. The cost of the court reporter shall be borne by the U.S.  
11 Attorney's Office.

12  
13 6. The depositions shall be videotape recorded. Prior to the conclusion of each deposition, the  
14 deponent, or a party, may elect to have the deponent review the videotape record of his depositions and to  
15 note any changes. Any errors or changes, and the reasons for making them, shall be stated in writing and  
16 such writing shall be signed by the deponent(s).

17  
18 7. The videotape operator shall select and supply all equipment required to videotape and audiotape  
19 the depositions and shall determine all matters of staging and technique, such as number and placement of  
20 cameras and microphones, lighting, camera angle, and background. He/she shall determine these matters  
21 in a manner that accurately reproduces the appearance of the witnesses and assures clear reproduction of  
22 each witness' testimony and the statements of counsel. The witness, or any party to the action, may place  
23 upon the record any objection to the videotape operator's handling of any of these matters. Such objection  
24 shall be considered by the Court in ruling on the admissibility of the video and/or audiotape record. All  
25 such objections shall be deemed waived unless made promptly after the objector knows, or has reasonable  
26 grounds to know, of the basis of such objection.

27  
28 8. The Material Witnesses shall be deposed in an order as determined the Assistant United States

1 Attorney conducting the depositions for the prosecution. The deposition shall be recorded in a fair,  
2 impartial, objective manner. The videotape equipment shall be focused on the witness; however, the  
3 videotape operator may from time to time focus upon charts, photographs, exhibits or like material being  
4 shown to the witness during the deposition.  
5

6 9. Before examination of the witness, the notary shall state on the video/audio record: (a) his/her name  
7 and address; (b) the date, time and place of the deposition; (c) the name of the witness and the caption of  
8 the action; and (d) the identity of the parties and the names of all persons present in the room. The notary  
9 shall then swear the witness on the video record. Further, at the beginning of the examination by each  
10 counsel, the counsel shall identify himself/herself and his/her respective client on the record. If more than  
11 one videotape is used, the notary shall repeat items (a), (b) and (c) at the beginning of each new tape.  
12

13 10. The videotape operator shall not stop the video recorder after the deposition commences until it  
14 concludes, except, however, that any party may request a cessation for a brief recess, which request will be  
15 honored unless another party objects and states the basis for said objection on the record. Each time the tape  
16 is stopped or started, the videotape operator shall announce the time on the record. If the deposition requires  
17 the use of more than one tape, the end of each tape and the beginning of the next shall be announced orally  
18 on the video record by the operator.  
19

20 11. Testimonial evidence objected to shall be recorded as if the objection had been overruled and the  
21 court shall rule on the objections prior to admitting that portion of the deposition. The party raising the  
22 objection(s) shall be responsible for preparing a transcript for the court to consider. All objections to the  
23 evidence presented shall be deemed waived unless made during the deposition.  
24

25 12. If requested by a party, the deposition testimony, if offered other than for impeachment, may be  
26 presented in non-stenographic audio/visual format, in which case no transcript need be prepared in advance  
27 of trial, unless otherwise ordered by the Court. See Fed. R. Civ. P. 32(c).  
28

13. Copies of all exhibits utilized during the videotaped deposition shall be marked for identification

1 during the deposition and filed along with the videotape.

2 14. At the conclusion of each deposition, the Government and defendants will advise the material  
3 witness' attorney if they intend to object to the release of the material witness. If the parties do not object  
4 to the witness' release, the Government and defense attorney will immediately approve an order for the  
5 material witness' release from custody. The Government will provide the witness with a subpoena for the  
6 trial date, a travel advance fund letter, and written authorization to enter the United States to testify at trial.  
7

8 15. If either party objects to the release of the material witness, the objecting party must immediately  
9 request in writing a hearing on the issue before the District Court within four business hours after the  
10 deposition is concluded. At the hearing, the objecting party must be prepared to show why the release of  
11 the material witness is not appropriate under 18 U.S.C. § 3144. If, after the hearing, the Court decides to  
12 release the material witness, the material witness attorney should file the witness release order immediately.  
13 Again, the Government must serve the witness with a trial subpoena, a travel fund advance letter, and  
14 written authorization to legally enter the United States to testify at trial before the material witness is  
15 released.  
16  
17

18 16. Upon request by either party, the videotape operator shall provide a copy of the videotape deposition  
19 to the requesting party at the requesting party's expense. After preparing the requested copies, if any, the  
20 videotape operator shall turn the original videotape over to the notary along with a certificate signed by the  
21 videotape operator attesting that the videotape is an accurate and complete record of the deposition.  
22

23 17. The notary shall file this original tape, along with the any exhibits offered during the deposition, with  
24 the Court in a sealed envelope marked with the caption of the case, the name of the witness and the date of  
25 the deposition. To that envelope, the notary shall attach the sworn statement that the videotape is accurate  
26 and complete record of the recorded deposition and certification that the witness was duly sworn by the  
27 officer.  
28

18. To the extent that the procedures set forth herein for the videotaping vary from those set forth in

Rules 28 and 30 F. R.Civ. P., these variations are found to be for good cause shown as allowed by F. R. Civ. P. 29.

19. Unless waived by the parties, the notary must give prompt notice to all parties of the filing of the videotape record of the deposition with the Court pursuant to Fed.R.Civ.P. 30(f)(3).

IT IS SO ORDERED.
